

AGREEMENT

Re: Attachment of UTECH/UWI Graduate in Land Surveying

This AGREEMENT made the day of 20... BETWEEN.....
Commissioned Land Surveyor of.....
..... in the parish of (hereinafter referred to
as "the Surveyor") of the First Part and UTech, Ja/UWI GRADUATE
with a in of
..... in the parish of
..... (hereinafter referred to as "the Student Surveyor") of the Second Part
WITNESSETH as follows:

- 1) The Surveyor accepts the Student Surveyor on attachment for a period of years commencing on the day of 20 ... in accordance with Section 3 (1) of the Land Surveyors Act and the Rules for Attachment made by the Land Surveyors Board.

- 2) The Surveyor agrees to permit the Student Surveyor to use such equipment and materials as may be necessary for the practice of the profession in the service of the Surveyor and to have access to such records and files as are necessary to acquire knowledge of the proper practice as a professional.

- 3) The Student Surveyor shall honestly, truly and diligently serve the Surveyor as a student in the practice of surveying and shall use the equipment and materials entrusted to him/her with diligence and care and shall keep confidential any information relating to the business of the Surveyor which is disclosed to him/her during the period of attachment.

- 4) The Student Surveyor shall not engage in any form of Land Surveying activity with any other Surveyor or aligned professional without the expressed knowledge of his/her Principal, through a written request, so to do. Failure to comply with this requirement will result in this agreement nullified and the Land Surveyors Board so informed.

- 5) The Student Surveyor shall in all respects acquit and demean himself/herself as an honest and faithful Student Surveyor ought to do.
